In the circumsances I request very early orders of Government so that the purchases may be completed before 31-3-1956.

Since the Fisheries High School at Malpe has also been selected for the introduction of the bifurcated course of studies, similar expenditure may have to be incurred for that school also. I am therefore asking the Assistant Director of Fisheries, Mangalore to report urgently about his requirements. I request I may be permitted to sanction necessary expenditure on the purchase of articles for the improvements of teaching in core subjects limited to Rs.15,000/- The indent for articles will be scrutinised before sanction is accorded.

To A.S.

The Addl. D.I.&C's letter at pages 1-2 c.f. with its enclosures at page 3 c.f. is submitted for perusal. The two fisheries schools at Madapalli and Malpe have ~~already~~ been selected in G.O.Ms.No. 1011 Education dated 6-6-55 for improvement of teaching core subjects vide 'A' &'B' on page 9 of G.O. at (N). With reference to para 3(2) of the G.O. ibid the two schools are eligible for a grant of Rs.15,000/- each for the purchase of necessary articles required for the improvement of teaching core subjects in those schools. The core subjects are those specified in the Report of the Secondary Education Commission viz., (1) Languages, (2)General Science, (3) Social Studies and (4) a craft. Attention is also invited in this conection to instructions issued to the D.P.I. in Govt. memo No. 104489 BIII/54-18 dated 28-1-56 in which the D.P.I. was requested to include the two schools for the introduction of bifurcated course of sutdies with effect from the next academic year (1956-57) especially in view of the fact that those schools have already been selected in the G.O. at (N) for imppovement of teaching in core subjects. The D.P.I. was also requested to take into account the above suggestion when submitting proposals to Govt. in the H.E.L.A. Dept. for the introduction of specified courses in particular schools under the Scheme for the introduction of bifurcated course of studies during 1956-57. It is understood

P.T.O

from the H.E.L.A. Dept. that the ~~EXRXX~~ D.P.I. has not yet submitted ~~his~~ specific proposals in this regard and the proposals are being watched by them.

2. In his letter at pp.1-2 c.f. the Addl. Director has requested Govt's approval to expend the sum of Rs.15,000/- allotted to the Fisheries Technical High School, Madapalli for the purchase of necessary articles ~~Rxquxxxxd~~ required for improvement of teaching in that school as shown below:-

1.	Equipment for General Science	Rs.6,956-2-0
2.	Equipment for Audio Visual Education	" 1,501-4-0
3.	Equipment for Craft	" 1,742-0-0
4.	Library books	" 1,402-4-6
5.	Duplicator for taking copies of notes Lectures etc.,	" 1,305-0-0
6.	Containers	" 1,600-0-0
		" 14,506-10-6 Or
		Rs.14,500-0-0 roundly.

The Addl. Director's proposal may be agreed to.

3. The Addl. Director has also stated that Asst. Director of Fisheries, Kozhikode has prepared the above indent from the latest catalogues of the reliable firms. The Addl. Director therefore proposes ~~to~~ to make the purchase without inviting further quotations in order to avoid delay. It is stated that a member of the staff of the schools will be deputed to go over to Madras to make the required purchase. Subject to the approval of ~~the~~ Govt. of this suggestion the Addl. Director has also provided a sum of Rs.500/- roundly in his estimate towards sales tax, margin for fluctuations, T.A. etc. of the member of the staff going over to Madras and ~~the~~ unforeseen expenses. For orders whether the mode of purchase suggested by the Addl. Director may be approvad.

4. It is not clear from the G.O. at (N) the budget

p.t.o.

head to which the expenditure for the improvement of teaching in core Subjectes sanctioned in that order for Govt. Schools shoulld be debitad. It is presumed that the expenditure should go to the rrelevant sub-head under '37. Education'.

5. H.E.L.A. and Finance may see for remarks. ThoseDepartments may be requested to treat this case as <u>immediate</u> as the Addl. Director wants very early orders to enable him to complete the purchase by 31-3-56.

It seems appropriate that orders on the Addl Director's proposal should issue in H.E.L.A. as it is in pursuance of a scheme sanctioned by that Dept. They may be requested to take over the file if they have no objections.

Regarding 'S' on p 2 C.F. the Addl Director may be asked to submit separate proposals after the requirements of the school are known
